

**Draft CCMM Group Meeting Minutes**  
**Meeting held: 12.45-13.45 Monday 19 January 2026 GS2**

Present: Serena Best, A Perkins, Lu Zhang, Ben Steel, Nemo Wang, Aditya Nandakumar, Cindy Wai, Dan Bax, Mike Moore, Emma Gough, Lillian Zhang, Tom Sweeney, Vivien Alves Passing, Melike Temizturk, Kerem Citak

Apologies: Ruth Cameron, Dan Bax, Sumedh Kampli, Jiaer Chen

Kerem Citak gave a talk entitled:

“Development of epidermal inspired collagen films via Electrophoretic Deposition (EPD) for wound healing applications”

Health, Safety and Welfare: No issues to report.

Risk Assessment and COSHH Forms: As usual all are reminded to keep these safety documents updated and signed off.

Lab matters: The water purifier has been repaired. The water quality is not good so new cartridges have been ordered.

Since the introduction of the plastic shelf trays in the cupboards MM has reconfigured the shelves to make it easier to remove heavy bottles – for example Ethanol. Action all: please feed back to MM if this is an improvement on the previous set up.

Fridges: MM has had a clear out of old samples of slurry. Please can all the Group make a review of their own samples and discard if not needed.

Dan Bax is still off ill so please see Serena for any TC Lab questions.

Lab clean: The next lab clean will be on Friday 14 February 2026. Please check the updated Rota and if you cannot make your turn arrange a ‘swap’ with someone from the other group.

Collagen: No news on the delivery. Please be careful to record all use of existing collagen stock.

Conferences: ESB Antwerp is approaching (7-11/09/26 ) Both Ruth and Serena will be chairing a Symposia, one on Scaffolds and one on 3D printing of scaffolds. If you are considering submitting an Abstract have a chat about your ideas soon with REC/SMB. Abstract submissions opened 31/01/2026. Submission abstract deadline is 15/03/2026.

AOB: Next week’s meeting is cancelled (26/1/2026).

Date of next meeting: Monday 2 February 2026 (Lu Zhang)
