“The EPD of Gelma and Collagen Coacervation”

Health, Safety and Welfare: There were no issues raised.

Risk Assessment and COSHH Forms: Please keep your forms up to date as usual.

Lab matters: Amnesty for disposal of chemical - the final date has been extended. MM asks all to come and speak to him before 19/03 if there are any red labelled chemicals they want kept.

Coater. The coater has turned up but is broken. Action: MM to repair.

Lab clean: The next lab clean will be on Friday 13 March. If you are not able to make your turn please swap with someone from the other group.

Collagen: The new batches of collagen have been moved to the plastic dessicator.

Conferences: Reminder ESB abstract deadline is 15/3/2026. Thank you to those who are already talking with SMB/REC.

AOB: A call out for volunteers to assist with the DMSM open day Saturday 21 March open day which is part of the University Science Festival. Please speak to David Collins to volunteer. Remember it is excellent to put outreach activities like this on your CV.

SMB requests helpers for her C18 Examples class.

YPLC there annual IOM3 Young Persons Lecture Competition heat at DMSM will take place on 11 March (see poster). Age less than 28 years to enter. The key aim of the competition is to develop presentation skills. If you wish to enter please check the poster – also Luke Malone (previously of this Group) is the organiser (lpm39).

Date of next meeting: Monday 9 March 2026 (no talk)
